

## **ITC Tank Fire Incident Management Objectives**

**Objective 1:** Ensure the health and safety of the public and response personnel.

**Objective 2:** Establish an incident management structure and processes employing the Incident Command System to enable effective overall management of the event with deployment of resources (staff and equipment) in a rapid, focused and well-coordinated manner.

**Objective 3:** Encourage a collaborative federalism approach, where Federal, State, Tribal, and local governments interact cooperatively and collectively to solve common problems.

**Objective 4:** Take actions to assess the on-site and off-site impacts during the emergency response phase of this incident. Provide this information to state and local authorities to assist them in their decision to protect the local citizens.

**Objective 5:** Conduct activities to prevent off-site releases from the ITC Tank Farm.

**Objective 6:** Respond to, mitigate and recovery off-site releases from the ITC Tank Farm.

**Objective 7:** Maintain open communication with Regional management
